Dear Parents

After School Clubs

There will be various after school clubs running during the Spring term at St Mary's.

As spaces are limited, we can usually only allocate one club per child, if your child is interested in more than one club, please make a note of the priority of these clubs on your return slip e.g. 1st, 2nd, 3rd choice and we will try our best to accommodate as many requests as possible. If the clubs become full we will start waiting lists.

Each after school club will cost £8.00 for the Spring term up until Easter.

Please send in £8.00 with your club request, if it works out that your child attends more than one club we will ask for extra payment separately. If we do not receive payment, we cannot allocate a space for the club.

The football club that started late last term will be continuing with the current children until Easter as they have only had a small number of sessions so far. Parents of these children, please send in your payment and mark on the club letter your first priority of the football club unless your child no longer wishes to attend, please let the office know if this is the case.

For information, on the days that we run outside sports i.e. Netball, Football, Fencing, the school hall will also be available for these clubs to use during bad weather.

We will let you know which clubs your child will be attending as soon as possible.

If you have any questions, please speak to Sharon in the school office. **Please hand in your reply slips and payments to the school office by Friday 12th January as these go astray if left in book bags.**
