Head Teacher: Mrs Paula Fearn

28th February 2017

Dear Parents

I am pleased to finally be able to share the report following our recent Ofsted inspection on 25th January 2017. As you will see, the school maintains a 'good' grading from Ofsted with the report stating that *'we are committed to providing pupils with the best education'*.

This can be seen in so many ways across the school, all members of our school community aim high to ensure success for all through exciting lessons, school trips and extra-curricular clubs.

As a school, we are incredibly proud of what has been achieved. I would like to take this opportunity to thank the staff and governors for their hard work, parents for your continual support and of course, the children who work so hard and make us proud and happy every single day.

We are committed to the continuing development of our school. As the report suggests, our next step is to ensure that action continues to be taken, as a result of regular, effective monitoring, to support pupils in different year groups to work at greater depth and make the progress they are capable of in writing and mathematics.

Thank you again for your support and for all the kind words shared during our inspection. If you have any queries or would like to discuss anything you have read in the report, please do not hesitate to contact me.

Yours Sincerely

Mrs Paula Fearn
Head Teacher
