12th July 2017

Dear Parents

Non-Uniform Day and Tapestry

As you will know we have a non-uniform day next Monday 17th July. As a Reception class we have been working on the topic of 'Under the Sea' this term. Please could the children come to school in beachwear clothes on Monday i.e. shorts, t-shirts, sundresses, etc.

If the children would like to bring an extra 'special' snack in with them to have as well as the snack they have in school they are welcome to bring one in. Lunches will be as normal on this day.

Tapestry

We hope you have enjoyed receiving information from St Mary's and uploading pictures and information to Tapestry this year. It has been a really useful way of keeping you up to date with your child's progress and what they have been achieving in school and a great way of you showing us how they are developing at home.

It is now time to finish using Tapestry for our Reception children as this will now be used for the new children coming into Reception in September. I thought you might like a copy of their Tapestry journal showing the photos and comments that have been put on Tapestry.

You should receive an email tomorrow with a link to Tapestry telling you that you have a download available. Alternatively from tomorrow evening, log into your Tapestry and in the top right hand corner click on the down arrow to the right of your name, click on the option for 'PDF Downloads' and you will then see your child's name and a blue box. Click on the blue box to download, you can then save this to your own computer so that you can keep a copy for yourselves.

These downloads are only available for 7 days so please if you want a copy, please download the journal within this time.

If you have any issues with this, please speak to Sharon in the school office.

Yours Sincerely

pp

Mrs Jo Bourne
Reception Class Teacher
