Dear Parents

After School Clubs

There will be various after school clubs running during the Autumn term at St Mary's mostly for Year 2 and above (there are two clubs Year 1 pupils could attend, Care in the Community and First Aid). There is also a Science club being run on Thursday lunchtime.

As spaces are limited, we can usually only allocate one club per child, if your child is interested in more than one club, please make a note of the priority of these clubs on your return slip e.g. 1st, 2nd, 3rd choice and we will try our best to accommodate as many requests as possible.

If the clubs become full we will start waiting lists. The fees for each club session are listed below. Please see the separate letter with details for the Tennis club which has a separate payment scheme. Neil from the Dorset Tennis Academy who run the after school club will be doing a demonstration about the Tennis club at tomorrow's Assembly so the children can see what it involves.

We have a brand new club on Thursday which will be run by Luke Hayter a fitness instructor who will be running our Student Fitness after school club. Luke is a personal trainer and is looking forward to running this club for us. For those pupils in this club, the first week (next Thursday 28th) will be a free taster week and it will then be £3.00 a week after that.

Luke will also be running a Mum's and Dad's fitness class at St Mary's on Thursday afternoons between 2.00 pm and 3.00 pm. Again next Thursday 28th will be a free taster class and if you would like to continue coming along it will be £5.00 for any following weeks that you would like to attend. There will be more information about the class in this week's newsletter.

We will let you know which clubs your child will be attending next week.

The clubs for the Autumn term are as follows:

Monday:

Netball – open to Years 3 and 4 - £1.00 per week

Tuesday:

Tennis - open to Years 2, 3 and 4 (cost £35.00 for a 10 week course)
