Dear Reception Parents

As you know we would like to offer swimming to our Reception children on Tuesdays and Thursdays between 2.30 and 3.15 pm.

To be able to provide this facility we need to have two trained parent lifeguards in attendance at these sessions. At the present time we have only had a very small number of Reception parents able to undertake the Lifeguard training and pool awareness session.

We have arranged for the Royal Life Saving Society UK to run another Lifeguard training session at St Mary's, please if you are able to attend and become a lifeguard for some of the Reception sessions this would be greatly appreciated, otherwise we may not be able to offer the opportunity of swimming for our Reception children.

The training session will be run on:

Tuesday 19th June – 1.30 – 3.00 pm

Please complete and return the form overleaf to the school office by Monday 11th June.

Many thanks.

Yours Sincerely

Mrs Paula Fearn
