Dear Parents

Family Photographs – Tuesday 22nd November 2016

Ashley Wood Studios who produce our school photos will be offering family photo sessions at the school on Tuesday 22nd November 2016.

They will be starting at 3.30pm and available for a couple of hours. **If you would like them to take a photo(s) of your child(ren) or as a family, please pop into the office or phone us and we can allocate you a time slot on that day.**

Each child's photo takes approximately **5 minutes**, so if you have more than one child and/or wish to have a family photo, then this would be 5 minutes per child plus 5 minutes for the family photo.

The photographs will be taken in the school hall. The photographer recommends that you wear either pastel or darker shades of clothing - **NOT white** - as the background will be white. (You may be asked to remove your shoes.)

Yours Sincerely

Mrs Paula Fearn
Head Teacher
