

St Mary's Catholic First School Newsletter

Friday 10th January

Happy New Year to you all. It has been lovely seeing the children return with such enthusiasm and we have had a great start back to this new term. The flurry of snow brought a ripple of excitement into the classrooms and was a great stimulus for discussion and debate! We are proud to say that two of our year 2 children, Lily Ann and Eleri, were invited to a celebration of writing event on Thursday with Lord Julian Fellowes. Their stories were selected, by Lord Julian Fellowes, from 140 others, as examples of strong creativity and ambitious writing. They were the youngest children attending and received a certificate and a round of applause!

We look forward to seeing all of your children continue to flourish this term and wish you a happy weekend.

School Notices

Reminder

Please can all Children with long hair come to school with hair tied up on P.E days.

Class Updates

We've had a great first week back in Anning Class. We have been learning how to write a set of instructions for making a bird feeder in English and the value of coins and notes in Maths. In PE we have been learning about gymnastics and we are fantastic at it!
