

St Mary's Catholic First School Newsletter

Friday 7th February

The children have had a busy week, producing some exciting writing and map work. Anning class have been writing "spooky openings" for stories, Maiden class have been creating clues to solve the mystery of Cleopatra's stolen necklace and both Maurward and Shire have been continuing to learn about Chinese New Year. Meanwhile, Icení class have been drawing maps of the playground ahead of further Geography field work on their upcoming residential at the end of April. There is plenty more fun planned for our final week of this half term next week.

We hope that you have a super weekend and wrap up warm!

Well done Tucker on winning the Golden Padlock this week. Tucker Cycles to school most days which is always great to see.

This week Anning class has been investigating the properties of materials in science to choose a suitable fabric for Elastigirl's superhero outfit.

The children read brilliantly during the Liturgy this week. They were thinking about being Pilgrims of hope.

Every Friday morning we are treated to some great Rock band noise! The children are working really well together. There is availability for trial periods .If you think your child would be interested in this please get in touch with the school office.

Year 3 have been learning about measuring lengths and units, converting centimetres to millimetres.

They have also been busy doing their times tables this morning. Naomi is enjoying learning her times tables and August and Callie are working through the 4 and 8 x tables. Great work from year three this morning.
