Friday March 7th

What a special week it has been - celebrating words spoken and written. The children really enjoyed World Book Day yesterday and looked fantastic in their costumes. There was a great selection of book characters and names. The children behaved brilliantly, responded well to their different activities and displayed some high skills of debating and quizzing amongst others. Thank you for your support in preparing them for the day. We hope you have a wonderful weekend

This week's Golden Padlock winner, please come to the office and collect your Snap band.

Children reading their own way: capture this on film and share with us!

The theme for this year's World Book Day is "Read your way". As part of our school book celebration it would be great if you could try and capture your child reading their chosen way over the next week or over the weekend. We would love to see a photo of where/how your child chooses to read so that we can compile a display in the hall and library. Please send your photo to the school office by Monday 10th March.

We had a wonderful day celebrating World Book Day in Year 2. We took part in a live lesson online and we all spent some time reading a library book in class. In our learning we prepared arguments for a debate. We thought carefully about Jack's point of view versus the Giant. During the afternoon we had a live debate in the classroom. Half the class argued on the side of the three bears and half the class defended Goldilocks and her actions. It was great fun. We tried to be persuasive whilst remembering to respect the opinions of others.

Maiden Castle class have been enjoying their forest school sessions this half term making the most of the lovely sun. Last week they were collecting bugs. The children have enjoyed exploring and learning about nature.
