Friday 13th June

Dear Parents

On Thursday we were delighted to hold a celebratory assembly with two Rotary club representatives who were awarding certificates and prizes in celebration of artwork, photography and writing from our children at St Mary's. A special mention went to the following children:
Maurward class for their outstanding artwork
Lily- Anne in Anning class for her writing which was awarded a highly commended status
Arabella in Maiden castle class for winning the local and district writing competition
Rowan in Maiden castle class and Penelope in Anning class for jointly winning the local photography competition. And a school trophy was awarded in light of Anning's Emma who won the local and district prize for her photography. Congratulations to all of the children who took part this year and particularly to those whose work was recognised as being outstanding. I look forward to seeing the entries next year!
Hoping you all have a super weekend.

Well done Finley in Reception, he has won the golden padlock this week.

Finley and his brother love cycling to school!

Some of our Iceni class took part in a football match last Friday at Broadmayne School, they all worked together really well. Noemis was player of the match - she played amazing!

This week in English Anning class have been conjuring up a storm by creating a soundscape. The children took turns to be a 'have a go maestro' and conducted the wild tempest for our Shakespearean shipwreck.

Shire Class have been making some beautiful cards with fantastic drawings and great writing, I'm sure the special people that they are making them for will be very impressed.

We have had some great Pirates and mermaids in Maurward class this week!

Some pictures of our Rotary presentation assembly.

We are so proud of our St Mary's students.
