Famous Americans Project

1. Research famous people who are from America (USA)
2. Chose a person who you find interesting – you might chose Bill Gates, Simone Biles or anyone you like.

3. Find out 5 facts about this person and find out when and where they were born. Try to find interesting facts about them including why they are famous and what have they achieved.

4. Create a Poster about your famous person – including a drawing, your facts and a map to show where they were born. Make sure you make it interesting and eye catching.
