15th May 2018

Dear Parents

St Mary's swimming pool

You may be aware that over the last couple of months we have had a lot of planned work carried out on the school's swimming pool as a result of our yearly checks that showed the pool required significant repairs to enable continued use.

The school has funded this work to ensure the pool continues to be of high quality and well maintained. It will be having a brand new liner fitted soon, we hope you will see a difference when it is finished.

Maintaining the pool properly has come at a high cost to the school at just over £17,000 but we believe it is worthwhile because of the great benefit to our children. The children will be starting swimming after the May half term and we are asking for a voluntary contribution of £8.00 per child to go towards the cost of maintaining the pool so that we can continue to provide this facility.

Please return the slip below with your £8.00 to the school office, this is much appreciated.

Yours Sincerely

P. Fearn

Mrs Paula Fearn
