

# St Mary's Catholic First School Newsletter

18<sup>th</sup> June 2021

Dear Parents,

We have had a really good week at St Mary's enjoying the mostly good weather. We are hoping to start swimming in the pool from next Monday. We will do our final checks on Monday morning.

Here are our Branches of Love pupils and St Mary's Citizens for this week. Well done to all of them.

Our Bike it Bear this week was Lizzie. Well done Lizzie.

Next week we have two virtual author sessions. Year 2 will see Laura James on Monday afternoon and Year 4 will see N S Blackman on Wednesday afternoon. These sessions are really enjoyable and informative for the children, so we are looking forward to them.

We have already had some great photos sent in for our Reading Challenge of reading in an unusual place. Here was the first photo we received, which is brilliant. We are making a display in our hall of the great photos sent in. We look forward to seeing some more great photos.

A group of our Year 4 children took part in a Bikeability course on Tuesday which they really enjoyed and gives them the first level of cycling proficiency. Another group will be doing this course next Wednesday.

Our Year 2 Laudato Si after school club were planting flowers in our Prayer Garden on Wednesday.

Children are also getting involved in our other reading challenge, of reading every night and filling in their reading journal. Winners drawn from these children receive a new book.

Have a great weekend.

Best wishes,

*P. Fearn*
