Head Teacher: Mrs Paula Fearn

Dear Year 3 parents,

I hope you are all well. Welcome to Week 5 of activities which has a history focus on World War 2 this week. Please do as many as you can. This week and from now on a video will accompany the home learning to explain to the children what they will need to do. Timings have been added to the grid as a guide for some people but please feel free to use your own judgement.

I have included work for Friday, it is however a bank holiday, so it is up to you whether your child completes the activities.

Purple Mash - please make sure when your child has completed an activity, they hit the '**hand in**' button so I can view it and respond to what they have done.

The activities are:

1. Take words from the common exception list/high frequency list and play spelling games with your child. A sheet has been sent home with different ideas of how your child could practice their spellings. On a Friday the children are asked to be tested on the spellings they have learnt from that week. In school we say a sentence with the spelling in and ask the children to write the whole sentence.
2. Maths - TT Rock stars and purple mash games - bubbles and race games.
3. PE this week is a combination of Joe Wicks and Cosmic Yoga. Have a go at these, they are lots of fun and Joe Wicks does fancy dress on a Friday!
4. This week I have found some interesting videos on YouTube that you can watch and do the activity that goes with it. I hope you enjoy making your own music!
5. Art - we begin looking at Lowry this week who is our artist focus for this term.

4<sup>th</sup> May 2020

6. Reading this week is using education city games - there is a folder under homework called - reading. The children can choose an activity they like the look of and complete it.
7. Maths work is to be found on the education city and purple mash websites. In addition to this, any work on shapes 2D and 3D that you can find around your house. Can you draw these shapes accurately using a ruler or something with a straight edge?
8. For spellings this week have a go at the purple mash activity focussing on -tion words.

I hope you enjoy this weeks' activities. Thank you very much for all of your support.

We look forward to seeing you very soon

Miss Simmonds and the Year 3 team
