Head Teacher: Mrs Paula Fearn

15th October 2020

Dear Parents

This morning the second staff member of the class bubble that are now self-isolating has tested positive for COVID 19.

I have been in touch with PHE and have been reassured that all the steps the school have taken are appropriate and that no further action is needed.

However as the letter stated yesterday should anyone develop symptoms, please follow the advice in my previous letter.

If at any time during the next two weeks should anyone in your household test positive for COVID 19, please can you email the school office at office@stmarysdorchester.dorset.sch.uk to inform us.

The school will be having a deep clean during the two week break.

Thank you for your continued support to the school.

Yours sincerely

P. Fearn

Mrs Paula Fearn
Head Teacher
