Dear Parents

The bank holiday weekend is upon us, the 75th Anniversary of VE day, I'm sure many of you plan to mark this in some way as a family. We hope you have a lovely weekend.

Thanks to all of you Key Workers who go out to work every day and play your part in supporting all of us in our local community and further afield, you are fantastic.

Thank you as always to those of you who have found yourselves in the teaching profession, you are doing a great job supporting your child/ren at home.

We hope you found the video clips to support the home learning useful and that the children enjoyed seeing their teacher, these will continue.

### **Family Liturgy**

Please see the link for the weekly worship, it would be great if you could watch as a family:

### **Mystery Readers**

We think it would be lovely for the children to see a Parent or Grandparent as a Mystery Reader, please don't be shy. Please forward any stories to [office@stmarysdorchester.dorset.sch.uk](mailto:office@stmarysdorchester.dorset.sch.uk)

As you are aware we have a small number of children with us each day who have two parents as key workers. They are continuing to work hard but as you imagine are missing their friends. We chat about you all every day and decided we'd like to create a Home Learning display in school with pictures of the children doing their learning while they aren't with us. Please can you forward a picture to the office email address above. Father Barry visits us weekly and wants you all to know that you are in his thoughts and prayers.

There are a number of attachments this week to support you all at home, we hope you find them useful.

Yours sincerely

*P. Fearn*
