

It's a Long
Way to
Bethlehem

It's a long way to Bethlehem,

It's a dry and dusty road.

It's a long way to Bethlehem,

Do we really have to go?

It's a long way to Bethlehem,

It's a lot for little feet.

It's a long way to Bethlehem,

We'll be walking for a week!

Better get up, get off, get a move on,
Better be on our way.

Hurry it up, come on, get your shoes on,
We must be gone today!

It's a long way to Bethlehem,
We'll be bored to bits, I know.
It's a long way to Bethlehem,
And we'd rather stay at home!

It's a long way to Bethlehem,

It's a hundred miles at least.

It's a long way to Bethlehem,

And you're calling it a treat!

Better get up, get off, get a move on,
Better be on our way.

Hurry it up, come on, get your shoes on,
We must be gone today!

It's a long way to Bethlehem,

It's a dry and dusty road.

It's a long way to Bethlehem,

Do we really have to go?

It's a long way to Bethlehem,

It's a lot for little feet.

It's a long way to Bethlehem,

We'll be walking for a week!

Better get up, get off, get a move on,
Better be on our way.

Hurry it up, come on, get your shoes on,
We must be gone today!

Better get up, get off, get a move on,
Better be on our way.

Hurry it up, come on, get your shoes on,
We must be gone, we must be gone, we
must be gone today!
