Head Teacher: Mrs Paula Fearn

27th April 2020

Dear Parents

The end of the first week back and the sun is still shining which is great for outdoor learning experience.

Thank you so much for continuing to support your child/ren's learning at home.

Teachers are engaging with children on Purple Mash after work has been submitted and they are also tracking activities completed at home on Education City and Times Table Rockstars. We're so pleased to see so many of the children are engaging with the learning set.

Mrs Hunns RWI sessions continue daily on our website and there are also links to additional sites to support learning, reading and PE activities.

Each year will have an updated Curriculum topic web on the school website for the Summer term for your information. These can be viewed as a document either under next week's home learning hubs for each year or under the 'Curriculum' hub on the website.

Don't forget to like our school Facebook page and see one of our team read a story daily.

Have a lovely weekend.

Stay safe

Yours sincerely

P. Fearn
