

Key vocabulary: **belonging, part, class, school, family, Gospel Values, assembly, timetable,**

We will be looking at the story 'Here We Are' by Oliver Jeffers and thinking about the impact we have living on Earth.

We will be meeting our Year 4 buddy and sharing a story together. They will also take us to play, assembly and help us if needed.

We will be finding out about our school – where different places are such as the hall and playground and then creating a map showing how to get there!

PE starts this week with Mr Knox so please remember to wear your kit on Wednesday when you come to school.

## How do I belong to St Mary's Catholic First School?

Our first week!

In Reception the children will be learning about their classroom and where things belong such as their coats, water bottles and book bags. We will also find out where to go if we need the toilet.

We will be finding out about our new friends – thinking about how we are different and how we are the same. Do we have any siblings? Pets? Favourite hobbies? Where do we come from in the world?

We will be starting the week with half days on Monday and Tuesday. (You received your time slot in the bookbag pack you were given in the Summer Term.) Wednesday onwards the children will attend full time.

We will be thinking about how we belong to the St Mary's family and reflecting on how we can help each other feel like they belong. We will be introducing the Gospel Values in our first Liturgy.
