13<sup>th</sup> July 2020

Dear Year 3 Parents

I hope you are all keeping well.

Hello and welcome to week 14! I hope you enjoyed last week's e-safety activities!

Welcome to the last week of term.

This week there are lots of challenges to challenge yourself by doing something you might not usually do - so I hope you enjoy them!!

The activities for this week are:

1. Continue to practice your spellings from the lists given. Remember you can always use word pyramids to help you with your practicing! Also remember to have a go at the purple mash game.
2. Reading continues to be using education city games - there is a folder under homework called - reading. The children can choose an activity they like the look of and complete it. Or read a book of your choice at home.
3. Math activities - games on purple mash, TT rock stars plus other websites.
4. Corbett maths challenge - 5 a day. If these are too tricky then please have a look at the maths activities on Education City.
5. Challenge yourself activities:
  - ❖ Throw a ball into a bucket - see how many you can get in a row.
  - ❖ make an origami boat and see how it floats
  - ❖ throw a ball into the air and see how many claps you can do before catching it again.
  - ❖ Make a fortune teller and tell someone's fortune
  - ❖ Make a paper airplane and measure how far it flies.

I hope you enjoy these activities - send me lots of pictures so I can see how you are all getting on.

6. Make a board game based around World War 2 - think about the different ways players can go forwards and backwards.

7. Watch the video about how Lego is made and write 5 facts about how it is made.

8. Watch the video about how bees make honey and create a poster to show how honey is made.

9. Write 5 things that you have enjoyed during Year 3, so I know the best parts to do with my new class and draw a picture.

10. Create a piece of artwork based around the summer - you could use paint, pens, pencils etc.

I hope you enjoy this weeks' activities.

Thank you very much for all of your support over this difficult time and I hope you all have a fantastic summer holiday. I'm looking forward to seeing you all as Year 4 in September.

Miss Simmonds and the Year 3 team
