11th December 2020

Dear Parents

We have had a lovely week at St Mary's, the classroom Elves have been busy everyday finding new ways to entertain the children.

The children have been enjoying their Advent Prayers in class at the end of each day. Thank you for sending in photos and messages of how the children are doing their Advent Challenges, these are lovely to see.

The children look fantastic today in their Christmas jumpers, they have had a great day making some Christmas decorations.

Mr Kent, our PE specialist has a Piano that is no longer needed, he would like to give this away to a good home. The piano is in good condition but will need to be tuned. If you are interested & would be able to collect it, please let the school office know and we can put you in contact.

The classes have been practising their Nativity singing and you will receive a video of them performing by the end of next week via your child's Google Classroom account. Please would you be kind enough to just keep this for your own viewing, please do not forward it on or post on social media, many thanks.

Thank you for the book fair orders that have been sent in, the children enjoyed exploring new and different books. If you didn't manage to or wish to order any from the book fair, you can always order directly from Scholastic online.

We will also be sending home a list of recommended Christmas books that the children in each class have suggested that you might like to look at.

St Mary's Carol Service

Next Monday at 6.00 pm we will be hosting a virtual Carol Service, all are welcome to join, you just need to let us know that you would like an invite via the link that was

emailed out to you yesterday afternoon. We look forward to seeing you next Monday evening.

Bike it Bear

This week's winner of the Bike it Bear is Nikolas.

I hope you have a good weekend.

Yours sincerely

P. Fearn
