

SMARTIES challenge!

Every child in school has been given a tube of Smarties.

What we would like you to do is to enjoy the sweets and then between now and 26th May try to fill the tube with coins. This can be for helping with chores, doing well at school or generally being great! When your tube is full, seal it up, clearly mark it with your name and class and bring it into school so we can add it to the giant smarties pot.

When you return your tube, you will be entered into a prize draw to win a prize. If by the 26th May your tube is not quite full, seal it up, label it clearly and send it in anyway.

All money raised will be split between Mary's Meals and St Mary's School.

So be a Smartie and help us raise money!! Thank you from the PTA

Smartie Poem

We are giving you these smarties for you tummy

Then try fill the tube with lots of money

Earn your coins for working hard

Perhaps tidying up, or washing the car

If working hard suits how you feel

Let's raise money for us and Marys Meals!
