

### Numeracy

In term 1 the children will be focusing on reasoning and problem solving with number; recapping on the four operations. They will also build on their knowledge of fractions and pattern.

In term 2 they will be working on time, reading data, comparing measurements and money.

### History/Geography

In the first half term we are learning about inventor Elon Musk and how he is making changes to the way we live. We will be debating about the most impactful inventions past and present.

In the second half term we will be constructing maps; considering the links between habitat and way of life.

### Literacy

We will start the term focusing on the story of The Jungle Book - with instruction writing, postcards and story writing.

After half term we will be writing fun facts on plants, writing menus and play writing.

What would you find in the  
Indian jungle?

Year 2 - Spring 2020

### Science

In spring 1 we are learning about animals and their habitats, with a particular focus on jungle animals. In spring 2 we are looking at plant survival.

### RE

In term 1 we will be discussing the Feasts of Christmas and then learning more about Revelation through discussion, drama and listening to stories.

In term 2 we will be learning about Lent and celebrating Holy Week.

### Art/DT

We will be looking at well known artists who specialise in animal painting. This will lead to our own experimentation of colour, shape and space. In the second half of the term we will be learning about local foods and cooking.

### ICT

We will be following the Purple Mash scheme of work with coding as a focus.

### Music

We will be taught singing and performance this term by a specialist music teacher.

### PE

We will learn how to play tennis with our specialist PE teacher, followed by multi skills lessons.
