7th January 2020

### Dance Festival

Dear Parents,

Reception Class will be attending a dance festival on Monday 10th February at Damers First School from 1.45-2.45pm.

It is a wonderful event where other reception classes showcase their dances and we will do a performance. Sport's Leaders also attend and do a few performances for the children and teach them some moves!

As Damers is too far to walk as a class so we are proposing that parents if you could pick your child/ren up at 1.15pm and take them to the event we will meet you there. **Please complete the slip below before 17th January to say if this is possible and if you will be attending.** You can then take them home if you wish after the event.

Any questions or problems please see me.

Yours Sincerely

Mrs Coffin  
Reception Class Teacher
