Dear Parents

Yesterday's statement by the Prime Minister indicated possible changes to school provision from June 1st, although this is not a confirmed date as they will be monitoring the country during the next 3 weeks.

Naturally, we all want to be back together, however, I need to ensure that we plan for the safety of all children and our staff team.

We will receive more information from the Government and our Academy that will help answer many of the questions that both yourselves and I will have.

I would also like to take this opportunity to urge caution around what you tell your children, it would be unfair to offer any promises of dates when these may not yet be realised.

I will provide further information in the coming days and weeks once we are able to do so.

If you have any **urgent** questions please contact me directly at:
head@stmarysdorchester.dorset.sch.uk

We continue to stand with you at this time, school is operating as a childcare provision for those key worker children, who have no safe alternative only. We continue to provide home learning via our website and, as always, thank you for your continued support.

Yours sincerely

P. Fearn
