22<sup>nd</sup> June 2020

Dear Year 4 Parents,

Hello and welcome to week 11! I hope you enjoyed last week's activities!

Here is this week's selection of activities. There's some activities on Greek Myths and some more Science activities looking at electricity.

- 1. Daily Reading for 30 minutes can you please sign their reading contact book. There are also activities on Education City under homework and reading that can also be completed.
- 2. Spellings high frequency and common exception words. The children to choose 10 that they think they cannot spell and use the spelling strategy sheet to practice them.
- 3. TTRockstars independent multiplication tables game. This game assesses the children as they play and adapts the questions to the speed and accuracy of their answers.
- 4. Bronze and Silver 5 a day maths sheets. Children to choose either bronze or silver or both. These sheets cover all areas of maths. Some questions on the silver sheets may be unfamiliar as we haven't covered them in class but the children know this and will try and tackle them. If you want more, feel free to use the ones that are the dates in the 2 weeks just gone.
- 5. There are also some Purple Mash maths games to complete this week but make sure it is challenging even if you start with the easier games and work up to the more difficult.

- 6. Sports for the week: sprints, egg and spoon, high jump and long jump. You can either have a go at these activities as a family or children can see if they can beat their own scores. We would love to see lots of your photos of the activities so please can these be sent to: <a href="mailto:sportsweek@stmarysdorchester.dorset.sch.uk">sportsweek@stmarysdorchester.dorset.sch.uk</a>
- 7. Purple Mash some of the sports activities will need to be recorded and then the results put into graphs on purple mash.
- 8. Sports person Biography choose a sports person or athlete and use Purple Mash to write what you have found out about them.
- 9. Science Education City looking at nutrition and food groups and what we should be eating to stay healthy.
- 10. Purple Mash internet safety seeing as we are using technology a lot more at the moment I have given you a sorting activity on internet safety.

Thank you very much; I hope you enjoy this week's activities.

We look forward to seeing you soon.

Miss Simmonds
