Dr Bike at our Laudato Si Day

Our Assembly about recycling

Dear Parents

We have come to the end of our half term.

We had our wonderful Laudato Si day yesterday despite the rain, the children brought the sunshine.

The children made bug hotels, planted flowers, did painting, learnt more about the Eyes of the World, climate change campaign.

The children enjoyed climbing into the big tractor, learning about harvest & how to support themselves and others.

We had an Assembly learning about recycling which the children took part in and really enjoyed.

Fun on the Tractor

Our new Eyes of the World Climate Change display by the children (made up of individually painted eyes)

Today we are also saying a fond farewell to Mrs Marsh.

We would like to thank Mrs Marsh for everything she has done for the children at St Mary's. We wish her all the very best for the future and her new adventures.

I hope you enjoy your half term break. We look forward to seeing the children back on Monday 1st November.
