22nd January 2019

Dear Parents

Life Education Mobile Classroom visit – 13th & 14th February 2019

We are looking forward to again having the Life Education Bus visiting St Mary's.

Life Education Centres is a charity providing unique health/drug education support to schools. Their programmes are developed to be age appropriate for the children and teach them about the wonder of their bodies and how to take care of them. They also encourage the development of positive attitudes, life skills and coping strategies to overcome peer group pressure. The specially equipped classroom provides an unforgettable experience for the children whilst contributing to our Personal, Social, Health and Citizenship curriculum.

We have tried to keep the cost of this visit as low as possible. We will have the Life Bus here for one and a half days and will hold sessions for all the children in class groups including Haycorns pre-school. **The cost for having the Life Bus will be £3.50 per child.**

We are sure that the children will thoroughly enjoy the Life Education Bus. Please return the slip below and your contribution towards the cost **by 1st February**. Cheques to be made payable to St Mary's Catholic First School.

Thank you for your support.

Yours sincerely

Mrs Paula Fearn
Head Teacher
