

Maurward Class: Summer 1: In The Garden

Story Books

Key Learning:

All living things grow and change. We will learn to observe and note the changes we see. We will learn that plants need food, water and sunlight in order to grow. We will learn about the transformations of minibeasts such as caterpillars and lady-birds as they develop into adults.

Home Learning

This half term the theme for our Home Learning Projects is 'In The Garden' which means you can choose to learn about plants or minibeasts or garden birds or anything else that you can think of that is garden based! As usual you can choose to present your project through whichever media you prefer. Please bring your projects to school the week beginning 22ndMay.

Key Vocabulary:

.Growth, change, differences, similarities, compare, observe.
