Dear Parents

A warm welcome new Reception parents!

Firstly, may I thank you for making yourselves available for the zoom visits. It was brilliant to speak to all of you and find out about your little person. I am so grateful to have the opportunity to teach your children in their first year of school and I truly hope they have a wonderful experience.

This half term will be an exciting time with making new friends and learning new things. We will be focussing largely on helping them to settle in comfortably and begin to establish those positive relationships.

Our topic this term is going to be 'Bears', this is a fantastic unit with lots of learning opportunities. We will be looking at some familiar stories, finding out about different types of bears and their habitats. Attached is the topic web and home learning project for this half term.

I look forward to getting to know you and your little one/s better over the term and if you ever have any questions or queries please feel free to ask or send a message via Tapestry

Many thanks

Mrs Morgan
Reception Class Teacher
