## Introduction

*What type of dogs do you like? Do you think people should be able to control their dogs? What would you do if someone else's dog started fighting with yours?*

*Luke has a little dog called Bruce. Bruce is a very quiet and gentle dog. One day in the park a big, fierce-looking dog, called Duke, chases Bruce. Luke is upset and tries to get Duke's owner to control her dog. But she won't listen. So Luke has a plan.*

## Rex to the rescue

This is Luke. The big man with the shaved head and the tattoos.

The little pug with the blue velvet collar is Luke's dog. His name is Bruce.  
Cute, isn't he? Not so much little as minute!

Luke likes to take Bruce to the park.  
Bruce chases sticks (well, twigs) and barks at the ducks, while Luke sniffs the roses or reads 'Gardening Today', humming a little tune.

This smart lady in the maroon skirt is Sue,  
with her dog, Duke.

Duke's a bulldog, a big brute with sharp teeth.

One day last June, Sue took Duke to the park.  
Luke and Bruce were there, too.

Sue let Duke off the lead.

Duke sniffed the ground - he could smell dog!

Then he was off, zooming across the grass.

Past the slide, past the roundabout, past the swings,  
until he was nose to nose with Bruce.

"Shoo, you horrid brute!" said Luke,  
choking with rage.

It was no use, Duke started to growl  
and snarl.

Then he pounced on the poor pug.

Sue came running up.

"Kiss Mummy, Dukey darling!" she said.

"He's in a bad mood today.

The postman escaped before Dukey could bite him."

"That's no excuse!" said Luke. "Bruce isn't used to fighting.

He's only had one fight in his life - and that was with a hamster, he lost!"

*The next day*

Just as Luke was sniffing a prize bloom and Bruce was having a snooze on his fluffy blanket, Duke came back.

This time, he chased Bruce all round the park.

"I don't want to be rude," said Luke to Sue,  
"but that dog should be kept on a lead."

Sue refused to listen.

"Don't you accuse darling Dukey!" she snapped. "Come on, Duke!"

*The next day*

This little girl is Luke's pal, Fran.

This huge brute is  
her dog, Rex.

He's a bull mastiff!

Rex is as stubborn as a mule.

So when he spotted Duke - and chased him across the grass, up  
the slide, round the roundabout, over the swings and *right into the*  
*lake* - Fran couldn't stop him.

"Thank you!" said Luke to Fran.

He stooped to stroke Rex.

"Good boy!" he said.

"I want all the dogs to call a truce.

No more fighting! Okay?"

"Yep!" barked Bruce.

"Yep!" barked Rex.

"Sploosh!" barked Duke,  
through a mouthful of green slime.
