Bag 2 School Fundraising

You should receive a Bag 2 School bag. Bag 2 School is a company who specialises in good quality second hand clothing that can be re-used. If you are able, please place in the bag provided any of the following items, adult and children's clothing, paired shoes, hats, belts, handbags, ties and soft toys.

The company will not take uniforms, bedding, curtains, towels, household linen or bric-a-brac.

If you can bring your bag back to the school on Friday 9th December by 9am the company will collect the bags. The company will then give funds to the school depending on the weight of the bags. Many thanks.
