Dear Parents

We have had a fantastic week at St Mary's, even with some of the weather we have had.

The children have been really enjoying our broad curriculum including PE, Forest School and their individual class topic learning.

As the weather is changing for Autumn, please can we ask that children come into school every day with warm/waterproof coats and sensible school shoes.

Thank you so much for taking your time to read all the emails and attachments regarding Covid and how we can all keep St Mary's children, staff and families safe.

I hope you all enjoy your weekend.

Yours sincerely

P. Fearn
