Dear Year 3 Parents

I hope you are all well and are enjoying the beautiful weather.

Hello and welcome to week 12! I hope you enjoyed last week's activities!

Here is this week's selection of activities.

We have a focus of Children around the world for this week. On Monday it is Missio day (information has been sent via the school office), so we have a focus to celebrate this day on Monday.

The activities for this week are:

1. Continue to practice your spellings from the lists given. Remember you can always use word pyramids to help you with your practicing! Also remember to have a go at the purple mash game.
2. Reading continues to be using education city games - there is a folder under homework called - reading. The children can choose an activity they like the look of and complete it.
3. Math activities - games on purple mash to have a go at - remember to give yourself a challenge if there is a choice!
4. I have also added corbett maths challenge - 5 a day. If these are too tricky then please have a look at the maths activities on Education City.
5. Monday – Missio day – have a look at the attached information sheet on how to create a poster to celebrate people around the world using different languages.

6. India research to complete a Purple Mash postcard – imagine you are staying for an Indian family and send a post card home to explain what it was like. This website may help: <https://kidsinothercountries.org/>
7. Watch the BBC clips and complete the purple mash activity to compare the children's lives in Africa with ours.
8. Have a look at the African abstract art and have a go at creating your own abstract art.
9. Research the Blitz in World War 2 - what happened? Why? Think about how Dorset was affected by this. Then use Purple Mash to create your own Newspaper report about the Blitz.
10. Finally there is another Spywatch video to watch.

I hope you enjoy this weeks' activities.

Thank you very much for all of your support.

We look forward to seeing you very soon

Miss Simmonds and the Year 3 team
