9th July 2021

Dear Parents,

We have had a great week at St Mary's, especially our Sporting Skills Day yesterday. The children had a fabulous day taking part in lots of different activities from running, welly throwing, our first ever Y3/4 triathlon & duathlon, obstacle course, football skills, cricket skills plus egg & spoon.

The weather was fantastic & all the children had fun and tried different sports and activities. We hope you like the photos, there will be more photos of your child's Google Classroom.
