

ANNUAL PERMISSIONS SLIP – SCHOOL YEAR 2018/19

Please complete this form and return to school by **Friday 2nd November 2018.**

FOOD TASTING IN LESSONS

At different times of the year, in different subjects and topics, the children will be involved in cooking and food tasting activities. Your permission is requested for this activity to take place and any information about food allergies/intolerances should be noted.

OUT OF SCHOOL VISITS

Within a curriculum subject, children may have the opportunity to make local visits. These short trips, not lasting more than half a day, will be within school hours, will not involve transport and will be conducted under the school's risk assessment for school trips protocol. You will always be informed that a visit is planned, but this annual permission will reduce the administration. Any visits involving a full day and/or transport will be notified separately and specific permission sought.
