In science Year 1 have been investigating whether cress seeds will grow on sand, soil, kitchen roll & cotton wool

Dear Parents

We have had a good & busy week at St Mary's. Many of our parents have been trained as lifeguards for this coming swim season. Many thanks to all our volunteers. We are excited to be opening the pool after the half term break.

As part of the lifeguard training, staff at St Mary's also undertook the training & refresher CPR training.

This week in Haycorns, the challenge was 'mark' making with Chalk and Water. The children traced over the initial letter of their name using water, some children drew shapes or even their entire name to trace over.

Our phonics letter was H, so the children have been drawing and decorating their houses using different shapes to draw around.

On Thursday afternoons a group of children take part in 'Little Yoga' sessions with Rachael - this week they were working on 'Warrior Pose' and 'Downward Dog'.

A lot of laughs from Lucy S-H:

What did the doctor say to the curtains?

"Pull yourself together"
