Dear Haycorns Parents

### Update from the Main St Mary's School

Two members of staff have tested positive for COVID 19. The two members of staff and the class affected are currently isolating.

Children from Haycorns have **not been** in contact with the staff members but I wanted to inform you to be as transparent as possible.

Please see attached a copy of the letter which we sent to parents in the main school yesterday.

The school continues to be open for all other classes. A deep clean will take place during half term and the Haycorns unit will also have a deep clean.

Should you have any further questions, please email the school office.

Yours sincerely

*P. Fearn*
