It's inclusive. It's fun.**

SPORT Active sessions are a part of Premier Sport's innovative Inspire programme and typically run for 60 minutes after school for children aged 4 - 12 years.

Academic research has proven that children who attend Premier courses are fitter children. Our after school programmes provide a healthy & fun end to the school day, improving your child's abilities and confidence. Plus it's a perfect childcare solution you can trust.

SPORT Active

SPORT Active are the sessions where your child finds their level and learns the techniques to follow their dream.

If they're serious about sport, developing their talent begins here. It's also a great childcare alternative for busy parents who can't always make the school run.

Don't worry if your children are not particularly sporty. Every child is welcome and the aim of our SPORT Active clubs are to use sport as a learning 'vehicle' for them to realise their potential:

- **Improve** social skills and interactions with peers in a safe environment
- **Enhance** fitness levels and mental wellbeing
- **Develop** new skills, leading to increased confidence and self esteem
- **Learn** the importance of rules, boundaries and teamwork
- **Win and lose** with respect

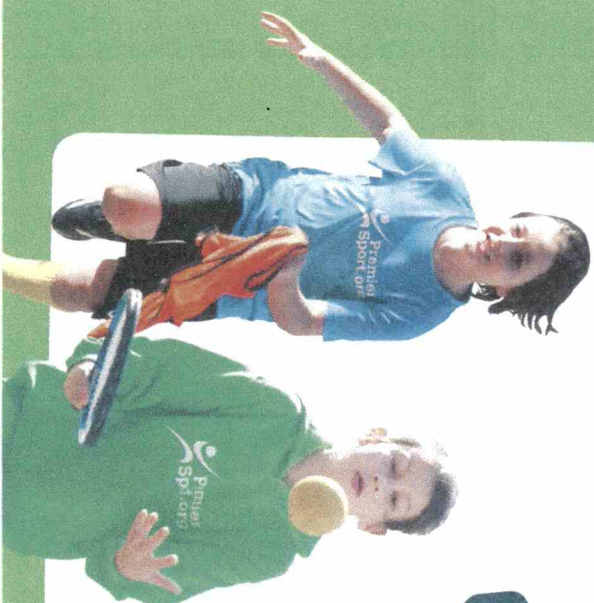

Take the first step! Book your superstar onto a SPORT Active course at their school.
