24th February 2017

Dear Parents

Weekly Newsletter

eSafety Information

As promised after our eSafety Day, please find with this newsletter information from the UK Safer Internet Centre on how to keep children safe online which we hope you will find useful. One of the parents that came along to the parent's session on our eSafety Day mentioned that there is a specific children's Utube site which would be worth looking at.

Science Day – Tuesday 28th February

St Mary's is hosting the Mr G's Science Show on Tuesday 28th February. This will start with all classes in Assembly and then each class will have a focused workshop on science during the day. The day will be packed full of hands-on opportunities and demonstrations which can be tailored to each class.

* more information to follow

Remembrance Garden

We have a small group of children working on a Remembrance Garden at St Mary's. We would like to say a big thank you to Mintern Building & Landscaping who have put in a new fence, memorial bench and raised beds for them to work on. Mintern kindly carried out this work over half term and did not charge the school for any labour costs.

Here are a couple of photos to show you the work in progress:

Yours Sincerely

Paula Fearn
