

Date 8th November 2019

Dear Parent/Carer,

Sustrans presents - Bling Your Bike – Friday 22nd November

St Mary's School is part of the Sustrans Bike It project and we want to encourage as many children to cycle and scooter to school as possible. Cycling to school is healthy, good for the environment, cheap, it means there will be fewer cars at the school gates and above all, it's great fun!

To make cycling to school even more fun, we are having a 'Bling Your Bike' day on Friday 22nd November when we would like to encourage all children to cycle or scooter to school, and to decorate them at home.

There are lots of things you can use to decorate your bikes; bright or reflective materials, painted cardboard, streamers, pipe cleaners around the spokes, the possibilities are endless. Whatever you come up with, please make sure the decorations don't obstruct the controls or moving parts of the bike or scooter.

We will be doing an Assembly on Friday 15th November at St Mary's to talk to the children about this and how to 'bling' their bike or scooter.

Thank you for your help with this fun day. I look forward to seeing what your children can create!

Kind regards,

Jonathan Dixon
Sustrans Bike It Plus officer for Dorset
