12<sup>th</sup> June 2020

Dear Parents

I hope you have had a good week with your families, some of you will be aware that we are sending Virtual Certificates for super work, please keep emailing and sharing work with us so we can celebrate the successes of our children at home.

We have had a good week at St Mary's, all the children are getting used to the new normal and are working well within their bubbles.

This morning we ran a Zoom meeting with our new Reception Class parents whose children are starting this September. It was great to put faces to names and to answer any questions that the parents had. We are sending home information to the parents as part of their child's transition to St Mary's.

As part of this transition, our Year 3 children will become Buddies with the Reception children. We will be in touch next week with Year 3 to tell them about being a Buddy and how they can introduce themselves to their Reception Buddy.

Year 4 parents, further information has come from St Osmund's about transition, please can you check your email, if you have not received anything please contact our School Office.

Well done to our families who have been Mystery Readers please be a "Go for it Gorilla" and read a story that can be shared with everyone on our St Mary's Facebook page. If you can do a story, please email the video to the office email. If it is too large to send as an attachment to an email, you can use a free website called We Transfer, you do not have to register or set up an account, just transfer the video to [office@stmarysdorchester.dorset.sch.uk](mailto:office@stmarysdorchester.dorset.sch.uk)

I hope you all enjoy the upcoming weekend.

Yours sincerely

*P. Fearn*

Mrs Paula Fearn
