

# Travelling

Travelling travelling - wise men grand,  
Riding on camels across the sand.  
Making our way to a far off land,  
Travelling, travelling,  
On our way to Bethlehem.

Travelling travelling - come so far,  
Keeping our telescopes on the star.  
Had to keep going for miles on end.  
Travelling, travelling,  
On our way to Bethlehem.

Travelling travelling - to a king,

Going together to worship Him.

Bringing our presents, we're three wise men.

Travelling, travelling,

On our way to Bethlehem.

Travelling travelling - nearly there,  
Feeling so weary and worse for wear.  
Knowing we'll make it but who knows when.  
Travelling, travelling,  
On our way to Bethlehem.
