## **Year 2 learning about fossils & Mary Anning at the Dorset County Museum**

Dear Parents

We have had an amazing last full week of the summer term, the children enjoyed their assemblies with their grandparents, it was so nice to see so many join us.

Our Years 1, 2, 3 & 4 took part in their class swimming galas this week, some great races & lots of fun.

Year 2 had a very interesting visit to the Dorset County Museum, learning about fossils & Mary Anning.

Our Year 2, 3 & Reception classes all had their Class Celebration Assemblies with their parents, showing what they have learnt this year & celebrating their successes.

Year 4 showed their ukulele skills at their parent's concert on Wednesday, they have really worked hard & shown some good musical flair.

Today Year 3 trip visited Wagamama & learnt about food from around the World & sampled some very tasty food.

## Our Library

We will be updating our Library in the Autumn, we would like to thank the different families who have donated books for this project.

The PTA has kindly given funds from the money they have raised through fundraising this year to help with this revamp. There will be more information during the Autumn term.
