

No Room at
the Inn

No room at the inn
All reservations were made in
the spring
We're full to the brim, sorry we
can't let you in

No room at the inn
We're fully booked and the
party's in swing
We're full to the brim, sorry we
can't let you in

Mary, Joseph, tell me what
you're gonna do?

There is no way you'll be
getting bed and breakfast for
two!

No room at the Inn

I'd say your chances are
probably slim

We've not got a thing

Sorry we can't let you in

No room at the Inn

Everyone's saying the very
same thing

We'd take anything

Somebody please let us in

Mary, Joseph, tell me what
you're gonna do?

There is no way you'll be
getting bed and breakfast for
two!

We've room at the Inn

It wouldn't exactly be fit for a kin!

Here give me your things

Hope you don't mind mucking in!
