29th June 2020

Dear Year 4 Parents

Hello and welcome to week 12! I hope you enjoyed last week's activities!

Here is this week's selection of activities. We have a focus of Children around the world for this week. On Monday it is Missio day (information will be sent via the school office), so we have a focus to celebrate this day on Monday.

1. Daily Reading for 30 minutes – can you please sign their reading contact book. There are also activities on Education City under homework and reading that can also be completed.
2. Spellings – high frequency and common exception words. The children to choose 10 that they think they cannot spell and use the spelling strategy sheet to practice them.
3. TTRockstars – independent multiplication tables game. This game assesses the children as they play and adapts the questions to the speed and accuracy of their answers.
4. Bronze and Silver 5 a day maths sheets. Children to choose either bronze or silver or both. These sheets cover all areas of maths. Some questions on the silver sheets may be unfamiliar as we haven't covered them in class, but the children know this and will try and tackle them. If you want more, feel free to use the ones that are the dates in the 2 weeks just gone.
5. There are also some Purple Mash maths games to complete this week but make sure it is challenging even if you start with the easier games and work up to the more difficult.
6. Monday – Missio day – have a look at the attached information sheet on how to create a poster to celebrate people around the world using different languages.

7. India research to complete a Purple Mash postcard – imagine you are staying for an Indian family and send a post card home to explain what it was like. This website may help: <https://kidsinothercountries.org/>
8. Watch the BBC clips and complete the purple mash activity to compare the children's lives in Africa with ours.
9. Have a look at the African abstract art and have a go at creating your own abstract art.
10. Purple mash – find your email from Christopher Columbus and answer his questions he has. You may need to do some research.
11. Follow the link to research children from other countries. Write 5 facts you have learnt from the clip you watched.

Thank you very much; I hope you enjoy this week's activities.

We look forward to seeing you soon.

Miss Simmonds
