

## Year 1 Phonics

As you will know we ran a parent's session back in March for Year 1 parents to give you information about how you can help your child with their phonics and to mention the phonics screening check that takes place in June.

### How you can help Phonics

Encourage your child to 'sound out' when reading or writing, focusing particularly on spotting more unusual sound patterns e.g.

Digraph – 2 letters making one sound – **cow**

Trigraph – 3 letters making one sound – **night**

Split digraphs – 2 vowels with a consonant in between – **spine**

Encourage your child to use their sounds when writing and use their actions/rhymes to find the sound they need.

### Phonics online

Children can also practise their phonics by playing games online. The children particularly like 'Buried Treasure' and 'Picnic on Pluto' which can be found at <http://www.phonicsplay.co.uk> - click on free phonics play, then click on phase 2/3/4/5 (the higher the number the harder the words) - Picnic on Pluto or Buried Treasure - Next - Choose a phase from the list - Bottom right hand corner

Please find attached some practice lists for Phonics that you may wish to practice with your child. There is a mixture of 'real' words and 'alien' words.
