8th June 2020

Dear Year 3 Parents

I hope you are all well and are enjoying the beautiful weather. Welcome to Week 9 of activities.

This week we have a Gas Mask focus and finish the Bridge on Fire story. Please do as many activities as you can.

It's lovely to see the activities that are being done at home - remember to keep using the 'hand in' button.

The activities for this week are:

1. Continue to practice your spellings from the lists given. Remember you can always use word pyramids to help you with your practicing! Also remember to have a go at the purple mash game.
2. Maths - this week there continues to be White Rose activities and videos to complete. We continue to have a look at fractions. Remember you can always use items around the house to help the children with fractions e.g. cakes and pizzas.

White Rose:

- Lesson 1 - week 2 lesson 5 - Equivalent Fractions 1
- Lesson 2 - week 3 lesson 1 - Equivalent Fractions 2
- Lesson 3 - week 3 - lesson 2 -Equivalent Fractions 3

3. PE this week continues to be a combination of Joe Wicks, Cosmic Yoga and I have found a very interesting looking minions dance class to have a go at!

4. Reading continues to be using education city games - there is a folder under homework called - reading. The children can choose an activity they like the look of and complete it. Also continue the World War 2 story on Purple Mash.

5. There are some more exciting Maddie and Greg videos to watch with activities to complete from watching the video.
6. History - research gas masks and then write up what you have found using Purple Mash.
7. There are also some activities linked to A bridge on Fire to complete. One is a character profile and the other is a book review when you finish reading. I know some of the words are quite tricky so it's OK to read with your child.
8. Finally there are some activities looking at perimeter to complete on Purple Mash.

I hope you enjoy this weeks' activities.

Thank you very much for all of your support.

We look forward to seeing you very soon.

Miss Simmonds and the Year 3 team
