Dear Year 3 Parents

I hope you are all well. Welcome to Week 6 of activities which continues to have a World War 2 focus. Please do as many as you can. I hope you enjoyed the video last week to help to explain the activities.

Thank you for getting the children to 'hand in' their work. It is lovely to see what is being done at home.

The activities for this week are:

1. Continue to practice your spellings from the lists given. Remember you can always use word pyramids to help you with your practicing!

2. Maths - this week I have added a link to the White Rose maths sessions. They are incredibly easy to use - they start with a video to explain the topic and then move on to activities for you to complete. Please try these and see how you get on.

3. PE this week continues to be a combination of Joe Wicks and Cosmic Yoga.

4. I have included some more Maddie & Greg videos for you to have a go at the activities.

5. Computing - have a go at the 'Snail Race' activity. Make sure you watch the videos that tell you how you need to program the snail.

6. Reading this week is using education city games – there is a folder under homework called - reading. The children can choose an activity they like the look of and complete it.

7. History - a focus on Air Raid shelters. You need to research these, create a diagram of one with labels and then finally use 2Publish+ to write a diary entry for what would happen during an air raid.

I hope you enjoy this weeks' activities.

Thank you very much for all your support.

We look forward to seeing you very soon

Miss Simmonds and the Year 3 team
